The Madison County Historical Society collects, preserves, and exhibits artifacts related to the county's past and present. The expense associated with storing and maintaining objects in the collection is an undertaking.

Support from our donors helps the society with the purchase of materials for the care of the society's collection of objects and archives, creating programs and exhibits, restoration of the society's buildings and much, much, more. There are many ways you can help to support the society.

We hope you consider making a charitable donation to the society and leave a legacy to a worthy cause that is important to you. By giving a lasting gift in the form of a check or stock to the society you receive the benefit of a charitable tax deduction. The society's memorial walkway is another opportunity to support the society while honoring and remembering a loved one. To find out more about charitable giving and the memorial walkway please contact Sydney at 315-363-4136.

Please make checks payable to the Madison County Historical Society, 435 Main Street, Oneida, NY 13421. All donations are tax deductible to the full extent of the Internal Revenue Code.
